

Call for Participation

We invite you to join us in **9th International Conference on VLSI and Applications (VLSIA 2023)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of VLSI. Original, unpublished papers, describing research in the general area of VLSI are solicited. Both theoretical and experimental research results are welcome in the following areas, but are not limited to.

Highlights of VLSIA 2023 Include:

- 14th International Conference on Internet Engineering & Web Services (InWeS 2023)
- 3rd International Conference on Advances in Computing & Information Technologies (CACIT 2023)
- 7th International Conference on Networks and Security (NSEC 2023)
- 4th International Conference on Big Data, Machine Learning and IoT (BMLI 2023)
- 10th International Conference on Signal Processing (CSIP 2023)
- International Conference on Education & Information Technology (EDUIT 2023)

Registration Participants

Non-Author / Co-Author/ Simple Participants (no paper)

300 USD (With proceedings)
